

Theft - When property is stolen but there has been no illegal entry or physical force used by the suspect.

For example ...

- A bike is stolen from your front yard.
- Your purse is stolen from your chair at a restaurant or open area.

Don't use Online Report if...

- Your home, business or other building (garage, shed, etc) has been illegally entered and property taken.
- Something was taken from you while you were wearing or carrying it.
- Your vehicle is missing and you believe it has been stolen.
- The total value taken in the theft is \$300.00 or more.
